Summary

I am Gargi Milind Bhakare, currently a third-year BTech student majoring in Electronics and Telecommunication. I have completed coursework and gained proficiency in MATLAB, Simulink, and Python programming. I excel in data management using Excel and also possess knowledge in C programming and assembly language. I am enthusiastic about applying my technical skills to make a meaningful contribution in the field of electronics and telecommunication

Career goal

Aspire to advance my skills within the tech industry and play a pivotal role in promoting 'Tech for Good,' with the aim of serving society and fostering positive change.
